Ministry Wishlist

Needs and Budgets

1. Education Program

2. Kivu Hills Medical Center

3. Economic Community Development

4. Pastoral Care and Outreach Program

1. Education Program

Kivu Hills Academy

Kivu Hills Academy currently has 368 students. It costs \$900 per year to send a student to KHA. This covers 3 meals a day, dormitory, paying teachers' salaries and general operations of running the school. These students need sponsorship to continue studying at KHA. KHA provides both academics and trade skills to the students in Computer sciences, Tourism and Hospitality and Construction.

Preschool Program

Arise Rwanda runs 7 preschools with 350 total preschool students. Each preschool has 50 students. It costs \$3,000 per school year to run one preschool. This covers one meal a day per student, teachers' salaries, school materials and renting a pre-school house in the community.

2. Kivu Hills Medical Center

The Kivu Hills Medical Center is the only medical center that provides affordable and quality healthcare to 30,000 residents of Boneza and the surrounding region.

Currently the biggest needs are:

KHMC Ambulance: \$135,000

KHMC Kitchen: \$75,000

3. Economic Community Development

Currently the biggest needs are:

Have a cow program

Gifting a cow to a local family provides nutrients from milk, farming manure, and a source of wealth.

\$1,000

Small business startup

We have a microfinance program for 3,000 women local to the Boneza community.

\$300 per business

Affordable Housing

for the Genocide survivors. 20 families in Boneza are currently in need of a home.

\$10,000 per home

4. Pastoral Care and Outreach Program

Arise Rwanda partners with local pastors and church leaders in Boneza. We train the pastors and support the churches in Boneza; The need in this ministry is as follows:

Pastors Training Conferences

3 Pastor Training Conferences are planned each year.

\$5,000 per

Church building and youth ministry support

\$1,000

Community Crusade

3 Boneza for Jesus Festival events are planned each year.

\$10,000 per
